

Charitable Gift Annuity Rates

The income you receive from your charitable gift annuity is determined by the amount of your gift and your age(s) when you make the gift. For rates at specific ages, see the table below. For two-life annuity rates and other information, including charitable deductions, please use our Gift Annuity Calculator, contact us at legacy@kqed.org or 415.553.2230.

NCPB uses the annuity rates approved by the American Council on Gift Annuities (ACGA). The ACGA reviews rates every six months, and they are subject to change.
